How to redeem: Add a qualifying DK Infusetek or Innofluid pump and any Runze product(s) to your cart. \$200 credit will automatically be applied at checkout.

Terms and Conditions: Pre-orders have a 3-4 week lead time. Promotional accessories and pump will be shipped together in one package. Returns pumps are subject to ELEXAN Scientific's Return Policy. Any Runze Products purchased with this order are not eligible for returns. In the event of an authorized return, the promotional value of the accessories will be deducted from the return. Offer is valid through ELEXAN Scientific to North America customers while supplies last. By redeeming the offer, users agree to these terms and conditions and those outlined on our website, such as a 15% restocking fee plus cost of shipping for returns.
